RED, YELLOW AND FINGERLING POTATOES

Add variety and diverse flavor to your potato category with RPE, Inc.'s wide selection of red, yellow and fingerling potatoes. Cater to the needs and taste buds of your customers with these full-flavored, high quality options.

	Variety	Flavor Profile
	RED POTATOES	Rosy red skin and moist flesh; slightly sweet and have an always-tender texture
	YELLOW POTATOES	Golden skin and golden flesh, naturally smooth with a buttery taste and creamy texture
	FINGERLINGS	Finger-shaped and oblong, with a firm, waxy texture; buttery, nutty and earthy flavor
